 (01/2020 - 04/2023)
HTML CSS & JS Certification Course for Beginners

SCRIMBA | Frontend Development Career Path
 (01/2024 - 09/2024)
HTML CSS JS RESPONSIVE DESIGN & REACT

TECHNICAL SKILLS

HTML   CSS   JavaScript   ReactJS   REST   Axios   MongoDB   SDLC   Microsoft Office   Responsive Designs   Git

PROJECTS

PICK N PAY (E- Commerce website) (12/2024 - 01/2025)
- E-commerce refers to commercial activities including the electronic buying or selling products and services which are conducted on online platforms or over the Internet.
- This website was built during the course of undergoing an online course. it was built with **React.Js** and an already built **backend** and **database.**
- API Calls were made using Axios and the database used was **MongoDB.**
- The website **Frontend** was deployed using **Netlify** and the backend using **Render.**

YORUBA GRAMMAR CHECKER (M.L Project) | Frontend Developer/Team Lead (05/2023 - 12/2023)
- Coordinated and assigned tasks as the **project manager/leader** of a team that consisted of a data scientist and a UI/UX designer.
- Worked on gathering different Yoruba sentences and creating the **dataset** for the grammar checker.
- Designed the frontend for the grammar checker using **React** and **JavaScript**, which the data scientist later converted to typescript.

KPMG ACE | Frontend Developer (02/2023 - 06/2023)
- The KPMG Ace web app was developed to expedite the sourcing process for manufacturers and give suppliers a venue to exhibit their goods and services to prospective clients.
- The app was built using a client-server architecture, with the client side developed using modern **front-end technologies** such as **HTML**, **CSS**, **JavaScript**, and **React**, and the server side developed using Node.js (By the backend developer).
- The app utilizes a **REST API** architecture developer tool for communication between the client and server, allowing for easy scalability and flexibility.
- The app also makes use of **Axios** for making requests to the **postman** API server.

ACHIEVEMENTS

Best Graduating student (01/2024)
Best Graduating student Computer Engineering department o f Olabisi Onabanjo University Ago-Iwoye graduating class of 2022/2023.
